

The promotion of the project "Strength is in us" is underway

Paweł Maj - Mayor of the City of Puławy, Director of the Municipal Social Welfare Center - Beata Wagner and engaged employees talk about the activities carried out as part of the "Strength is in us" project in the field of counteracting violence against the elderly and people with disabilities.

The program promoting the Project was recorded and broadcast by LPU 24 Puławy.

We encourage everyone interested in participating in the Project to contact us. We also encourage you to act and cooperate for people experiencing violence in our local community.
